

# YMCA Little Dribblers

YMCA “Little Kickers” is an opportunity for all children between the ages of 3 and 5 years to learn how to play a most traditional of all childhood games in a fun, low-key environment.

We know that as children enter the world of team sports, it is imperative that their first experiences be fun, educational, and supportive.

“Little Dribblers” will give you and your child a great chance to put some play in your day!
