

YMCA Little Squirts

YMCA "Little Squirts" is an opportunity for all children between the ages of 3 and 5 years to learn how to play this most popular sport in a fun, low-key environment.

We know that as children enter the world of team sports, it is imperative that their first experiences be fun, educational, and supportive. The Stanly County Family YMCA strives to provide this opportunity for families in the community.

"YMCA Little Squirts" will give you and your child a great chance to put some play in your day!

Ages 3-5 years old
